

SUMMER SESSION '23

K-5 Summer Enrichment Camps

Let's Get Ready!

Welcome!

We are excited that your child is enrolled in one or more of our one-week online summer camps. As we approach the start date for each camp, the instructor will reach out with welcome messages. In the meantime, use the list below to help you and your child get ready for a fun online experience this summer.

- Prepare a learning space that is free from distractions.
- Help your student get up and ready each morning for their 9 a.m. start time.
- Students will attend synchronous instruction from 9 to 10 a.m. each day and also will have access to asynchronous content in the VVA learning management system for additional activities and practice.
- There are no graded assignments or homework, just fun enrichment instruction and activities.
- If you need technical support during the week (including login issues), please contact the VVA Support team at support@virtualva.org.

Synchronous Instruction

During synchronous instruction, students will follow these norms to ensure everyone has a wonderful learning experience:

- Be on time for class with all required supplies.
- Be respectful of your instructor and other students.
- Use the "hand-raising" feature in Zoom before speaking.
- Stay muted until your instructor unmutes you.
